

THE

TRADER

The COCO TRADER is a news letter for buyers, sellers, and traders of any COLOR COMPUTER related items. For \$2.50 you can list any items you have for sale or trade, and any items that you may be looking for. You may use up to 1/8 of a page per listing. It is \$2.00 more for each additional 1/8 of a page. This size type. Please include your name, address, and also your phone number, which will not be listed unless you ask for it to be.

Since Tandy has dropped the COLOR COMPUTER, and since the demise of The Rainbow, and so many software dealers, it is hard to find a lot of the items that you may be looking for. So the COCO TRADER will be a place to find them.

A lot of us have bought out COCO items at our local Radio Shack, but we don't know where to trade them for what we really want. The COCO TRADER will give you a place to do it. For \$2.50 your ad will be listed for as long as you like, until you call, or write and tell us to take it out. If you wish to change it there will be another \$2.50 charge.

For now the COCO TRADER will be bi-monthly. If the response is great enough, we will make it monthly.

There is a \$6.00 subscription rate for a one year subscription. If at such time the COCO TRADER becomes a monthly issue, the renewals after that time will become \$10.00 for a year (12 issues).

Something else we are going to do to get more CoCo-nuts to list something in the COCO-TRADER, is to have a drawing from the names of the first 30 paid subscriptions that we receive. The winner will receive at least 15 original Rainbow on Tape cassettes, and about 20 other original programs on tape, including Chromasette, T&D, and others along with some other CoCo items.

So let us list your CoCo items that you no longer have a use for, and in so doing maybe we will get you some different ones back.
