

Here's what
Elite•Xfer™
 will do for you...

- ✓ Transfer your CoCo wordprocessor, spreadsheet and database files to MS-DOS software.
- ✓ Transfer ASCII files from MS-DOS, back to your CoCo programs.
- ✓ Format CoCo disks on any MS-DOS computer in only 15 seconds (fast!)
- ✓ Edit and repair bad CoCo disks.
- ✓ Keep your CoCo files from becoming obsolete!

Check the experts...

PCM says: *"Five minutes after copying Elite•Xfer to my PC, I was copying files back and forth between my PC and CoCo".*

RAINBOW says: *"I would recommend it highly! The execution is flawless."*
