*** NOTE NEW PRICES! ***

FARNA is always interested in new products of any type. If you have something marketable, please let us know!
Send a disk with the program and docs (disk ASCII file okay) for evaluation.

CoCo Family Recorder: $20.00
Absolutely THE BEST genealogy data system for the CoCo 3! An 80 column monitor and two disk drives are
required.

OS-9 Quick Reference Guide: $7.00
Command syntax, error codes, VDG screen codes, much more! Handy 40 page 5 1/2"x8" desktop book. Level 1 or 2.

Companion Disk: $5.00 (w/book purchase) $7.50 (w/o book)
The most popular and recommended patches from Delphi! Auto- patch feature for 512K, 40 track double sided disk
owners. NOTE: The auto-patch should be run on STOCK OS-9 backup disks only. Instructions included to make each
patch separately. Some patches are for OS-9 Level II only. 35T disks on request.

OS-9 Invoice/Inventory Manager: $24.00
Select items by part number for printing invoices from inventory list. Keep inventory quantities on computer
(does NOT subtract from inventory as invoices are issued). Reports include inventory/cost report (cost & retail
prices) and customer list (retail price only). Multi-user capable. Requires OS-9 Level I or II and Basic-09.

Programming the 6809: $23.00
Written by Zaks & Labiak, recommended by Motorola and Marty Goodman! 362 pages with 150 illustrations. Covers
machine language programming, no experience required!

Tandy's Little Wonder – The Color Computer: $24.00
A complete history of the Color Computer from conception. Descriptions of all current and past peripherals,
clubs, vendors, BBS listings, and many upgrades and tricks to enhance your CoCo! Received rave reviews from
many long time CoCo users at the 1993 Chicago CoCoFest!

RASCAN Video Digitizer: $155 (+$20 S&H)
Convert still video images to computer images. Digitizing process takes about 15 seconds. Use a camcorder to
tape the subject for 30-60 seconds then digitize the recorded image. Plugs into Joystick ports (both)- no MPI
needed! Max-10, CoCo Max 3, and Color Max 3 compatible. Up to 640x200 (16 gray levels with dithering). Made in
Australia - allow 10-12 weeks for delivery.

Cross Road II: $10.00
Tic-Tac-Toe with amazing graphics and digitized music and sound scores! Speaks with an Australian accent!
Requires 512K, one disk. Two players or play computer (CC3).

Mind Games RAM Disk: $10.00
A collection of nine classic games- Yahtzee, Color Disposer, Color Code, Follow Me, Pyramid Solitare, etc. Run
from integrated RAM disk menu with 512K, separately without (CC3).

COCO/OS9/OSK MAGAZINE – "the world of 68' micros"
High quality magazine with support for the CoCo and 68xxx based OSK (OS-9/68000) machines. Wide variety of
articles in each issue. Published every six weeks (8 issues per year).
1 year: $23; 6 months (4 issues): $12

"microdisk" companion disk: $6 each issue, $40 1 year.
*** NEW *** NEW *** NEW *** NEW *** NEW *** NEW *** NEW ***
Digitech Professional Sound Recorder: $20
Record ANY sound with your CoCo! Easily add sound effects/music to BASIC and m/l programs. Sound input through
LEFT joystick port with easy to make cable. Requires 512K.

*<<** ADD $2.50 TO EACH ORDER FOR SHIPPING AND HANDLING! **>>*
Canada add $4.00, all others $6.00 for surface, $12 for air.
