with enthusiastic response to our new computer, the MM/1! Thank you for your interest! Interactive Media Systems, Inc. is preparing a brochure and a letter that will tell you all about the MM/1 multimedia computer, from prices and options to the latest news on who is using the MM/1 — *right now* — to write software for the next generation of multimedia, multitasking computing.

While we're tackling our overflowing mailbag, we wanted you to know that we're still thinking of you. We can't wait to tell you more about the MM/1 form IMS — so watch for our mailing!
