

/) Sub-Etha Software Product List - Fall 1994 (\
"As Seen in The Rainbow, 68' micros, OS9 Underground, and at the CoCoFests!"

RS-DOS & OS-9 Software:

Invaders09 by Allen Huffman

NEW! A high-speed arcade game for OS-9. Waves of aliens are invading so it's up to you to defend the Earth with your plasma cannon. Increasing skill levels, multiple-shots, and blazing speed to keep even the most die-hard "space invader" happy.

OS-9 Req: CoCo 3, Joystick Optional....\$14.95

Chicago '94: The Game by Allen Huffman

NEW! You've read reports about it, and maybe even attended, but now you can relive the 3rd Annual "Last" Chicago CoCoFest anytime you want! This graphics adventure lets you tour over 30 locations of the Fest with hi-res digitized images converted direct from Photo-CD. Text parser lets you spend virtual money. Almost as fun as being there! Runs on a 640x192 hi-res graphics screen.

OS-9 Req: CoCo 3.....\$ 9.95

MultiBoot by Terry Todd & Allen Huffman

A great must-have utility which lets you have up to 16 bootfiles on one disk. No more boot disk floppy-swapping. MultiBoot will install itself to a cobbled boot disk and, upon typing "DOS", will greet you with a scrolling menu of available bootfiles! Settable auto-delay before startup, too. PowerBoost and NitroS-9 compatible. Now allows editing of boot menu order.

OS-9 Req: CoCo 3.....\$19.95

Towel by Allen Huffman

The first EthaWin program - a disk utility for OS-9. Use a mouse or keyboard hot-keys to perform common commands from pull-down menus. Tag multiple files for Delete, Copy, Rename, etc., and even have point 'n click disk Backup, Cobbler, DCheck and other commands. User menu now lets you specify up to EIGHT of your own commands. Runs under the EthaWin interface (included) on a high-speed text screen. All commands/colors configurable. Now compatible with OS-9 Terminals! If you like JTFM, you'll love this.

OS-9 Req: CoCo 3.....\$24.95

1992 CoCoFest SIMULATOR by Allen Huffman
Graphics "adventure" based on the 1992 Atlanta CoCoFest. The next best thing to having been there! Digitized graphics of the event and a text command parser (ie, "get the box of disks") let you see all the vendors and even run into some famous faces. The show area, seminar room, and portions of the hotel are all represented. No true "goal", but you do have to figure some things out. Now has scoring and uses image compression. (Contact the Atlanta Computer Society about one-disk mini-version.)

OS-9 Req: CoCo 3, 500K+ Space.....\$ 9.95

MAC to DMP Print Utility by Carl England
Printout classic Macintosh pictures on Tandy printers. CoCo 1/2 compatible!

OS-9 Req: Level 1 or 2, DMP Printer....\$19.95

CheckBook+09 by Joel Mathew Hegberg
Point 'n click account manager with graphing. Use mouse or hot-keys. Display pie, bar or line graphs of balances, deposits, etc. Save images out in VEF format.

OS-9 Req: CoCo 3.....\$24.95

MiniBanners09 by Allen Huffman
Print single or multi-line banners. Supports literally any printer from dot-matrix to daisy wheel to ink jets and non-standard width printers like the TP-10. 30+ fonts included!

OS-9 Req: CoCo 3, ANY Printer.....\$19.95

RS-DOS OS-9 Terminal Emulator by Terry Todd
A "smart" emulator that let's an RS-DOS CoCo 3 act like an OS-9 "window". Emulates OS-9 screen/color codes, overlay windows, attributes, and more. Run many full-screen text-apps over a null modem cable or phone line at 2400 baud through the "bit banger" port! (Should be compatible with any program that does not do any window sensing system calls as they will return errors when trying to sense/modify a serial device.) Even runs EthaWin applications!

RS-DOS Req: CoCo 3, Serial Cable.....\$24.95

InfoPatch by Terry Todd

Take those classic Infocom(tm) text adventures like Zork or Hitchhiker's Guide and make them run on an 80 column screen with full upper and lowercase.

RS-DOS Req: CoCo 3, Infocom Disk.....\$ 9.95

Super Boot by Carl England

The BEST "DOS" Autoboot for RS-DOS Ever! Set tracks, sides, step rates, printer baud, CoCo 3 screen colors, double speed mode, and more. Configure program to auto-run or select from a two column menu - all by typing "DOS".

RS-DOS Req: 64K+ CoCo, DOS 1.1/2.12....\$14.95

Super Backup Utilities by Carl England

From 64K to 512K, use it all with this program. Doesn't abort on disk errors, allowing you to make personal backups of some early copy protected software.

RS-DOS Req: 64K+ CoCo.....\$14.95

512K Copy Utility by Carl England

Copy, Rename, Kill, and Format easily. Copy all or some files on a disk. Keystroke Kill, Rename, etc. Format about 25% faster than Disk Basic.

RS-DOS Req: 512K CoCo 3.....\$14.95

4-D Checkers by Nick Johnson

Shall we play a game? A three dimensional twist on an old favorite. It can even talk if you have a speech pak!

RS-DOS Req: CoCo 3, S/Sound Pak Opt....\$14.95

CheckBook+ by Joel Mathew Hegberg

The "CoCoMax" of checking programs. Maintain thousands of check entries in this fully graphic, mouse driven application. Pull down menus, dialog boxes, etc., make it run as great as it looks. Generate pie, bar, and line graphs of your account, too.

RS-DOS Req: CoCo 3, Hi-Res Int/Mouse...\$24.95

Document Printer 90 by Carl England

Let your DMP or Epson printer generate sideways leaflets from your formatted text files. Creates those nifty booklets made out of pages folded over by printing text sideways. Comes with both RS-DOS and OS-9 versions! [This is a product Carl wrote back in '91, but we may see about making it available if there is interest.]

RS-DOS/OS9 Req: CoCo, DMP/EPSON ptr....\$WRITE

PROGRAM UPGRADES!

Updates are available for all of our CoCo software for \$5 per program, plus \$2.50 shipping.

DEVELOPERS WANTED:

Sub-Etha Software is always looking for new quality products. If you have a software or hardware item you would like marketed, please contact us. Excellent royalties paid!

We will also provide representation at CoCoFests for vendors unable to attend.

DEMO VERSIONS AVAILABLE

MiniBanners09, CheckBook+, Towel, CoCoFest3, and some of our other programs do have demonstration versions available on various on-line services.
