Dear Allen:

The Atlanta Computer Society, Inc., will be running a COCOFEST at the Northlake Holiday Inn, in Atlanta, on October 3rd and 4th of this year. Many vendors have already signed up to be there and we are expecting many more to join us soon. As a vendor yourself you know how much publicity can help promote your products!

Among the attractions at the COCOFEST will be several GRAND PRIZES which will be given away at the final drawing on Sunday afternoon. This drawing will be from a drum containing only admission tickets from paid attendees. There will be FREE FORUMS on many different subjects and our list of speakers is still growing!

In addition to the above we will also give away hourly prizes from a separate drum containing tickets that can be purchased only inside of the COCOFEST. These tickets will be kept entirely separate from the grand prize tickets. The sale of hourly drawing tickets will be for the benefit of the Atlanta Computer Society, Inc., a non-profit educational corporation in the state of Georgia, and will be used to promote future COCOFESTS in Atlanta.

To that end, and hopefully to satisfy both of our needs, we are asking you to donate a gift or gifts to be used as hourly prizes. If you would like to donate a MAJOR prize for the Sunday GRAND PRIZE drawing, please mark the MAJOR PRIZE block on the accompanying donation form. All donors will receive official recognition from the Atlanta Computer Society, Inc. in the form of a letter of receipt that will bear the seal of incorporation of our club. We will be announcing all winners, donors and prizes won on a P.A. system in the vendors area.

Please send all donations and donation forms to:

Atlanta Computer Society, Inc.
Alan R. Dages, Prize Committee Chairman
4894 Candlewood Lane
Stone Mountain, Ga. 30088-1606

Donations should be delivered to that address on or before September 30th. in order that all prizes/vendors can be properly credited.

Thank you in advance for your support of the Atlanta COCOFEST and our efforts to promote this activity.
