Thank You Dave Myers!

The Atlanta Computer Society, Inc. wishes to thank Dave Myers of CoCoPro for his fine work in producing our two previous Atlanta CoCofests. Dave has done much to keep the CoCo community together with his efforts toward promoting these and other CoCofests. Without his efforts there would never have been an Atlanta CoCofest in the first place. He has given us much guidance and assistance in producing the Third Annual Atlanta CoCofest. Dave's generous donation of advertising space in his latest flyer undoubtedly helped us attract many of the attendees that you will meet here this weekend. Say "HELLO" to Dave and be sure to thank him for all of the Atlanta CoCofests in the past and in the future.

AC S

Your host club, The Atlanta Computer Society, Inc., is the oldest computer club in the Southeast. Our club supports all computer users, and specializes in support for the Tandy Color Computer and OSK machines.

Be sure to stop by at the ACS booth for chances to win great prizes! (Thanks to the generous donations of many fine Coco vendors.)

Also, be sure to check our booth for the latest 'fest info.
