SEMINAR SCHEDULE

SATURDAY

11:00am " LINUX - The FREE Operating System " by Tom Kocourak

Tom will cover an overview of The Linux Operating System showing similarities and differences between OS-9 and Linux. Then he will cover pitfalls to avoid while installing Linux, then "questions and answers" session. You don't want to miss this one!

" Coco Disk Structure " Our Little Wonder! by Carl England 1995 ACS Vice President

Carl will deal with Coco disk structures of a formatted disk. He will also explain how to read a track (complete data, including control bytes) and describe how a disk can be copy-protected and how to make Backups of copy-protected floppy disks. Carl will be offering hand out sheets for your convenience. You'll kick yourself if you miss this!

" Coco, MIDI, Electronic Music " by Mike Carey

Mike will highlight some of the software and hardware of the era including the Stereo Composer, Orchestra-90, MUSICA, Coco MIDI PRO, and Utilities, showing some of the many features of these programs. Info on SMR's (Standard MIDI Files) will be reviewed as well. Lots of Coco electronic music will be played as well as several demos outside the seminars, in the receiving hall outside the main showroom. Come on by, Mike is REALLY good at this stuff!

SUNDAY

11:00am " WCP306 (68306) and OSK / OS-9 v3.01 " by William L. Wittman Jr.

Bill Wittman Jr., Stan Scott, and Botay Pittre will be on hand to demonstrate and display their WCP306 machine with OS-9 v3.01 answering questions along the way. OSK will be discussed also. These guys know their way around!

ATLANTA'S

TO

WELCOME

" CoCoFest VI "

HELLO EVERYONE !!!

I'm Al Dages, the 1995 President of the Atlanta Computer Society. I would like to thank all of you on behalf of the ACS and its members. It's a pleasure to have you visit this year's " CoCoFest VI " in Atlanta, Georgia. We're so proud to be a part of keeping the Coco "Alive in '95".

These Fest's are successful because of the many dedicated vendors that keep supplying and producing the many wonderful and exciting items such as you'll find right here these two days. This type of energetic support is indeed ' Magic. This Fest is for YOU, the lovers and supporters of Coco. Enjoy yourselves!

Al Dages

Alive in '95. That is our motto for this year's fest for our little Color Computer. Hi, I'm Ken Fish. I'm the current secretary and co-editor of the newsletter for the ACS, and I want to welcome one and all to the 6th annual Atlanta CoCoFest. Our club members worked hard to bring this event to you and hope you enjoy our efforts. These fests are put on for you the vendors and attendees. So, vendors, talk to old friends or new acquaintances. But most of all ENJOY. If you like the way things are or need any help or just want to say hello and shoot the breeze, then stop by the ACS club booth or talk to any ACS member wearing a gold name tag. HAVR FUWIIIIIIII

Vendor Profiles, (continued)

- 9) **KRASH ZONE** 1741 Michigan Ave, St. Cloud, FL 34769
(407) 892-9538 This booth will be run by Brian and Shirley Smith and will feature some quality "gently used" hardware. Stop by for a look at equipment from the sunny/rainy land of Florida.
- 10) **FARNA SYSTEMS** Box 321, Warner Robins, GA 31099
(912) 328-7859 Frank Swygert has given us such good stuff as the book "Tandy's Little Wonder" and the successful magazine "The World of 68 Micros". He will also have the KEN-TON products at his booth.
- 11) **R.C. SMITH** 524 Martin Rd. Stone Mountain, GA 30088
(404) 469-6601 R.C. is a member of the ACS who is listed as a "used equipment re-manufacturer". His table is always a good place to look for that special piece of equipment at a reasonable price.
- 12) **ALAN R. DAGES** 4894 Candlewood Lane., Stone Mountain, GA, 30088
(404)469-5111 Al Dages is the current President of the ACS and will be dividing his time between his booth and the ACS sales next to his booth. He will be featuring "new and gently used" at his booth, as well as trying to say "hello" to all. Stop by his booth to look at his quality merchandise (and keep him from having to chase you all over to say hello).
- 13) **ATLANTA COMPUTER SOCIETY** PO. Box 80694 Atlanta, GA 30366
(404) 636-2991 (BBS) Stop in and say Hi to the folks who are bringing you this CoCoFest and check out the GREAT specials we have for signing as a new member. Also there will be many great prizes raffled off, so buy as many tickets as you like and try to win something for your CoCo system.
- 14) **MIDI Demonstrations** provided for the Atlanta CoCoFest in the front hallway by TOM KOCOUREK and MIKE CAREY. Tom will be playing music on CoCo & Midi keyboard from his private collection, with a music editor, "ULTIMUSE". Tom will also be giving a seminar on the Linux operating system and OS-9. Mike will be demonstrating many styles of MIDI music in both OS-9 and RS-DOS programs. Mike will give a seminar that deals with various aspects of MIDI. These two guys work hard to bring us wonderful information on ways to enjoy our CoCos, so let's support them, stop by and visit!!
- 15) **PERFECT IMAGES PHOTOGRAPHY** 4589 Kathy Circle, Powder Springs, GA 30073
(770) 349-5117 Kenneth (Ken) Fish, 1995 ACS Club Secretary and Asst. Editor to the ACS Club newsletter. Ken will be running this new addition to the ranks of vendors and offering souvenir photographs. He will be taking pictures and orders for the prints at his booth. What better way to commemorate your attending the 6th Annual Atlanta CoCoFest, than a souvenir picture in a key-chain, or calendar, or custom print. Ken is a very energetic individual, and an EXCELLENT photographer, you'll enjoy making CoCo memories at his booth for years to come. Stop by and see Ken BEFORE you leave!!
- 16) **ADMISSIONS & TICKET SALES** Tickets and badges and CoCoFest layout booklets. All offered by a few of our loyal ACS members. Ask for your form to sign up for membership to The Atlanta Computer Society. Helpful information is also available for the asking. Don't forget to attend the seminars.
