Glenside Color Computer Club of Illinois

AHHH!! Spring! The sparrows return to Capistrano; the Monarch butterflies begin their return trip from the mountains of Mexico; and CoCoFEST! returns to Chicago!!! (Alright it's really Elgin..)

Since you are either a vendor to the CoCo Community (past or present) or the OS9 Community, you are now being informed of this year's 'FEST! dates and location.

The Glenside Color Computer Club of Illinois presents
The Fourth Annual "Last" Chicago CoCoFEST!
April 29th & 30th, 1995
HOLIDAY INN ELGIN (A Holidome Indoor Recreation Center)
Located @ 345 W. River Road (A city block from I-90 & IL-31S)
Elgin, Illinois

However, the main purpose of this note is to present you with the opportunity to present your software, firmware, or hardware to the attendees if you do not have the time and finances to travel and expend on the cost of a booth and hotel room. We are offering space in the show guide for your advertising.

Pricing for the advertissments are as follows:

    $15.00 for a full page ad of 5" by 8".
    $10.00 for a half page ad of 2.5" by 8" or 4" by 5"
    $ 7.50 for a quarter page ad of any proportion.

Included you will see some samples of former years ads from other vendors. Copy can be camera ready (preferred) or typed text to be inserted as our layout people prepare the guide.

All Ad Copy should be submitted, along with full payment, by March 31. Make checks payable to Glenside Color Computer Club, and send your copy to:

119 Adobe Circle, Carpentersville, IL. 60110-1101-14.

I will see that they will be placed in the hands of the layout people. We really wish you would join us for the fun and frivolity, but if you absolutely cannot, this offer will still give you a way to participate in the greatest CoCo show in the MidWest in 1995.

Serving the Tandy Color Computer Community since 1982
