

Glenside Color Computer Club of Illinois

Greetings!

Many of the recipients of this letter could just skip over the next couple of paragraphs, but for those of you who don't know about Glenside, may I introduce Glenside to you? Thanks.

The Glenside Color Computer Club of Illinois is a not-for-profit computer club established to assist its members in the learning and the better understanding of Tandy's Color Computer. As part of that goal, we have been privileged to host, under the auspices of Falsoft Publishing, five Chicago Rainbowfests, and one CoCoFEST!, sponsored by CoCoPRO!. We are now in the process of organizing AND sponsoring the Second Annual "Last" Chicago CoCoFEST!, which will be held in the Chicagoland area, specifically, the city of Elgin, Illinois, at the Holiday Inn/Holidome of Elgin, on May 1 & 2, 1993. This event is shaping up nicely in that we have already received between 6 and 10 verbal commitments of participation by vendors who were at the First Annual "Last" Chicago CoCoFEST!

During that event, hourly door prizes were given away as promotional items. We would like to continue that tradition, but we need your help to do so. In the accompanying "Terms and Conditions", you will note that there is a section requesting a donation to the "pot" or "kitty", as it were, from the participating exhibitors. We would ask that you give some consideration to this request in the light that the publicity garnered from the published listing of donors in the show guide and the announcement made at the time of the drawing would heighten the recognition of your name in the minds of the attendees.

All drawings for these donated items will be from a common collection of admission pass stubs only and will be for the benefit of the donor and the recipient. There will be no other raffle drawings by Glenside utilizing the donated items.

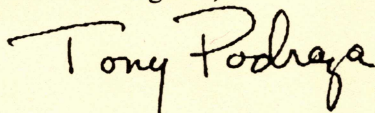

If you wish your donation to be used as part of the Grand Prize to be distributed on Sunday, please signify so at the time of donation. All donors will receive recognition in the form of a letter of receipt from the Glenside Color Computer Club of Illinois.

Please send all donations and donation forms to:

Glenside Color Computer Club
c/o Tony Podraza, President
119 Adobe Circle
Carpentersville, IL 60110-1101

Donations should be received by April 10, 1993, in order that all prizes/vendors can be properly credited. Thank you for your time, and for your support of the CoCo Community, in the past, in the present, and in the future.

Best regards,

Tony Podraza, President
Glenside Color Computer Club

P.S. Please give us a quick phone call at 708-428-3576, to inform us of your plans/intentions on joining us at the upcoming fest. If you prefer not to call, please promptly return the enclosed SASE and questionnaire to better help us plan this event!

Glenside Color Computer Club of Illinois

Hello,
you may not know us (yet) but a lot of people do. We are the Glenside Color Computer Club. We have been featured in The Rainbow Magazine (Nov. 1992), and have a PAID membership of over 175.

In the past we have hosted both RainbowFests and the First Annual "Last" Chicago CoCoFest. This year it is our pleasure to serve the entire community by SPONSORING the Second Annual "Last" Chicago CoCoFest. Because we are a not-for-profit user group it was feasible to not only drastically reduce the prices of admission to the Fest but we are also able to offer booths to vendors at the unheard of price of \$50.00 for two days. What better way to show off your products? Getting a product certified and/or reviewed can take months and then it is just a short article or notice. Here you have a chance to show off your product to people who are interested in spending money purchasing products for their machines. We hope that as a vendor you will be able to attend and help our community grow together so that the community will be around for a long time. Please take a few moments to fill out the following questionnaire to help us in serving you and the entire CoCo community. PLEASE, return it in the SASE even if you will not be able to attend the Fest.

Since the Fest is only a short time away we also ask that you send the questionnaire back promptly so that we will have some idea as to your intentions. Thank you for your time and we hope to see you at the Second Annual "Last" Chicago CoCoFest (and the third and fourth and the fifth). Together we can keep the dream alive.
