

ADVENTURE SURVIVORS

24 Perthshire Dr, Peachtree City, GA 30269 404 487 8461 INTRODUCTION OCT. 1991

INTRODUCTION

Welcome to the COCO Club designed to support all text and/or graphic adventure players. The Club recognizes some overlap in the different kinds of games, but we normally play, just the adventure type games. A Copy of this Introductory Newsletter will be sent to any prospective member. The Newsletter includes:

1) ADVENTURE SURVIVORS COLLECTION:

A list of the adventures we have amassed over the years, with the degree(s) of progress noted. We will talk about those that we do not have a little later. A few of the tape adventures can only play with the controller unplugged. A few will only play on the CoCo 3, but most will play on all CoCo's. *King's Quest III* requires 512K, & *Rogue* plays from 128 or 512K, and two come in program-packs.

2) **VERBS list:** This list is made up from the many adventures that we have played. We will occasionally update the list in the bi-monthly Newsletter. **EXAMPLE:** Add BLOCK PASS SLASH.

3) **APPLICATION forms.** The first is filled out by us to show you what we have, and an example. If you wish to join, cut off the bottom blank form, fill it in, & mail it in with your annual dues payment. Make your check or money order to L.E. Padgett. On the back of the form, make a list your choices of adventures, 1-6, you would like to see reviewed in the months ahead.

The AIM & POLICY of the Club is:

1) To recognize, and abide by copy-right laws - NO PIRACY!

2) To help members and non-members solve problems in adventures, via mail service (S.A.S.E., business envelope - state game & problem), or in the Club Newsletter.

3) Publish a bi-monthly Newsletter for members only.

4) To operate the Club on a minimal profit basis. The operating cost of the Club will be reviewed each year, & the dues may be adjusted, in order to remain so. Currently, dues (U.S. dollars) are:
\$6/year - U.S.
\$7/year - Canada & Mexico
\$10/year - All others.

5) Above all else, to have FUN!

The ADVENTURE SURVIVOR's bi-monthly Newsletter will have any, or all of the following:

1) **CEO TALK:** Our comments on just about anything under the sun - as dictated by need, and space.

2) **REVIEW:** An adventure will be reviewed, and a solution/walkthru/information, and map(s) provided. We encourage any member to DONATE to the Club his information, and map(s) on any adventure we do not have or have not played. We will add your name to the credits when the adventure is published.

3) **SWAP SHOPPE:** Any member wishing to buy, sell, and swap (originals only, please) any COCO stuff, can place an AD in the Newsletter. We will run your AD for at least two issues. If you wish to re-run or update it, drop us a line. We do not assume any responsibility for any deals made here. We ask all, to keep in mind "AS IS", and "LET THE BUYER BEWARE".

4) **HELP-PROGRESS** column: Questions and answers about problems found in adventures, from members & non members alike. A game in progress may be reported here. Whenever a S.A.S.T. envelope is sent with a request for HELP, a reply will be sent ASAP, If we have the answer. If we don't, your problem will be listed for at least 2 issues. All Members are asked & encouraged to respond to any plea for HELP.

5) **FUTURE REVIEW LIST:** The next six adventures to be reviewed. Keep in mind, the first 1 listed each issue will be reviewed next(if we have finished it, & it is ready), and the rest of the list is flexible. As the membership grows, & their choices counted, the last 5 adventures, on any issue list may change. We will add choices to a list, if there aren't enough from the membership to complete a bi-monthly list. We will also add a **BONUS** review (space available) to a bi-monthly issue to insure that our "target" of 6 to 8 pages each issue is reached.

6) **BACK-ISSUES** of the Newsletter can be purchased by new members for an amount based on their annual dues (\$6 current dues - \$1/back-issue). Every back-issue includes the game reviewed for that issue. We DO NOT intend to sell maps, information, or solutions of any adventure that has not yet been reviewed.

7) **COCOPRO!** has allowed us to list a number of (ALL - space permitting) their adventures carried in their monthly list of hardware/software. They usually have many adventures, and games listed each month - new & gently used - ,and their prices are good. Their inventory changes daily.

BACK ISSUE Price List: US Dollars

U.S., Territories & APO's....\$1.00/ea.
 Canada, Mexico.....3 for \$3.50.
 All Others....\$1.67/ea., 3 for \$5.00.

"**WORKSHEETS**" for *Keys Of the Wizard, Wizard's Castle, Where In The World Is Carmen Sandiego, Madness And The Minotaur, and Interbank Incident* are available. They're normally provided when the adventure is reviewed, but extras are available any time. Any hints, information, solution(s) to a particular problem, & any suggested techniques we have, are available to anyone (member or not) via S.A.S.E.

We DO encourage passing on copies of this Introduction "package" (Verb & Adventure Lists, Application Forms, and Newsletter), worksheets, and any **SPECIFIC** solution/information, suggested techniques, & hints about any problem in any adventure we publish, to any needy adventurer that you may know.

We ask that you **DO NOT** copy and pass on our bi-monthly Newsletter or it's included solution, information, and map(s) in it's entirety. That is the real "meat" of our Club's service, & it's your dues that pay for, & entitle you to it.

SURVIVORS COLLECTION OF ADVENTURES

We have completed most of the games in the various "packages", are near the end of two adventures (**) - STUCK need HELP, and are currently playing a few others (*). SAGA is flawed (may never be finished). Have not begun *CASTLE of THAROGGAD*, *ROGUE*, *CALUDRIL 2*, *POWER STONES OF ARD II*, or *LEISURE SUIT LARRY* - (Lounge Lizards). Underlined have been reviewed. The rest are finished. Some vendors are no longer in the COCO market, advertize in Rainbow, or in business.
