

ADVENTURE SURVIVORS

24 Perthshire Dr, Peachtree City, GA 30269 404 487 8461 INTRODUCTION SEP.1993

INTRODUCTION

Welcome to the COCO Club designed to support all text and/or graphic adventure players. The Club recognizes some overlap in the different types of games, but only "adventure types" will be **REVIEWed** - No arcades, simulations, or D&D role-playing types. This Introductory letter includes:

1) ADVENTURE SURVIVORS COLLECTION:

A list of the adventures we have amassed over the years, with the degree(s) of progress noted. We will talk about those that we do not have a little later. A few of the tape adventures can only play with the controller unplugged. A few will only play on the CoCo 3, but most will play on all CoCo's. *King's Quest III* requires 512K, & *Rogue* plays from 128 or 512K, and a few come in program-packs.

2) **VERBS** list: This list is made up from the many adventures that we have played. We will occasionally update the list in the bi-monthly Newsletter. **EXAMPLE:** Add BLOCK PASS SLASH.

3) **APPLICATION** and **ORDER** forms. If you wish to join our little Club, clip off, fill in, and return the Application form to us, with your annual dues. Make your check or money order to L.E. Padgett. Make a list of YOUR CHOICES (1-6) for future reviews On the backside of the form. An order form is also provided, if you care to purchase Back-issues, or any adventures we currently sell. More are expected to be available in the FUTURE!

The **AIM & POLICY** of the Club is:

- 1) To recognize, and abide by copyright laws - NO PIRACY!
- 2) To provide **HELP** for members, and non-members alike, who need help in solving adventure problems.

Send business envelope, S.A.S.E., state the problem(s), and adventure. These problems, and their solutions, may also appear in the Club Newsletter.

3) Publish a bi-monthly Newsletter for the benefit of the Club, and the Membership.

4) To operate the Club on a profit basis. The operating cost of the Club will be reviewed each year, and the dues may be adjusted to maintain that goal. Current dues (U.S. dollars) are:
\$6/year - U.S.
\$7/year - Canada & Mexico
\$10/year - All others.

5) Above all else, to have FUN!

The **ADVENTURE SURVIVOR's** bi-monthly Newsletter will have any, or all of the following:

1) **CEO TALK:** Our comments on just about anything under the sun - as dictated by need, and space.

2) **REVIEW** and **BONUS REVIEW:** One or two adventures will be reviewed, solution/information, and map(s) provided in each issue. Donations of **INFORMATION** by the membership on any adventure we don't have or have not played, will be **GREATLY** appreciated. Your name will added to the "credits" when, and if the adventure **REVIEW** is published.

3) **SWAP SHOPPE:** Any member wishing to buy, sell, and swap (originals only, please) any COCO stuff, can place an AD in the Newsletter. We will run your AD for at least two issues. If you wish to re-run or update it, drop us a line. We do not assume any responsibility for any deals made here. We ask all, to keep in mind "AS IS", and "LET THE BUYER BEWARE".

4) **HELP-PROGRESS** column: Questions and answers about problems found in adventures, from members & non members alike. A game in progress may be reported here. Whenever a S.A.S.E. envelope arrives with a request for HELP, a reply will be sent ASAP, if we have the answer. If we don't, your problem will be listed for at least 2 issues. All Members are asked & encouraged to respond to any plea for HELP.

5) **FUTURE REVIEW LIST:** The next six adventures to be reviewed. The 1st one listed each issue, will be reviewed next (if it's finished, and ready). As Choices are added, the last five listed in any issue, may change. We'll add choices to any issue, if there aren't enough from the membership to complete a List.

NEW: A Member may submit a list of 6 Choices for FUTURE REVIEWS, each year he (or she) is a Member.

How the FUTURE REVIEW "Ladder" works.

- a. Choices are placed on the ladder according to Choice number, and "first come, first serve" basis.
- b. Each Choice is given a "weight", based on it's Choice NUMBER.
- c. An adventure CHOSEN by more than one Member WILL move up the list according to it's NEW "weight".
- d. Normally, 2nd - 6th Choices WILL NOT move above FIRST Choices already on the Ladder, even though they are Chosen more than once.
- e. Adventures selected as 2nd - 6th Choices, AND ALSO selected as a FIRST Choice, WILL advance above other FIRST Choices on the List.

6) **BACK-ISSUES** of the Newsletter can be purchased by new members for an amount based on their annual dues (\$6 current dues - \$1/back-issue). Every back-issue includes the game reviewed for that issue. We DON'T sell solution/information, or maps of any adventure that has not yet been reviewed.

FREE WORKSHEETS: *Where In The World Is Carmen Sandiego, Wizard's Castle, Madness And The Minotaur, Interbank Incident, and Keys Of Wizard.* Worksheets are normally provided when an adventure is reviewed, if we make up one. Extras are available any time.
