COCONUTS

VOL. 2 ISSUE 4

JULY 1995

-----*

By Ken Fish

Well this is going to be short and sweet because I'm trying to get things together for a trip to Ohio. As I reminded all of you in my column last month, the elections for officers of the club will be this month (July). So far these are the nominations...

For president Al Dages
and Ken Fish

For Vice President..... Carl
England

For Treasurer..... Newton
White and Russ Keller

For Newsletter Editor.....
Russ Keller

For Librarian.....Terry
Dodson

As you can see so far there have been no nominations for secretary, but I think that will change. Please let's have a good turnout and elect the officers who represent the club for you. Any out of stater's can mail in their votes but they MUST be to us by the general meeting on the fourth Tuesday.

We will also be contacting the members about the club picnic on

the 29th to see how many will attend and to co-ordinate the food for the event. As usual, the club will provide the meats for the picnic. I hope to see you ALL there too!

Well like I said, short and sweet, so.....

Til Later
Ken

Editor's Echo
By Russ Keller

This is July and as of this month the dues are due for 1996. So please send your dues to the club or attend the next meeting. Don't forget the picknic next saturday. Tuesday is the election of officers. I'll try to get the C-compiler working correctly by next month on the CoCo3. I am running around like a chicken with it's head out off. I'll try to slow down and work around the house and get my hard disk organized.

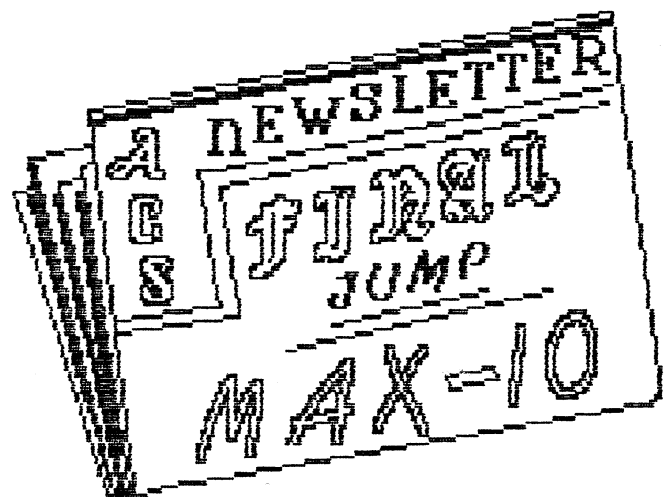

The Final Jump !

-----*

By Terry Dodson

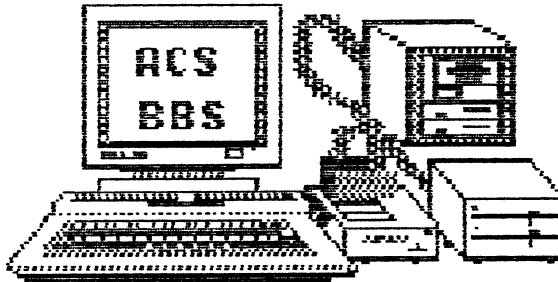

First of all, let me take the time to thank our club Pres., Ken Fish, for taking the bull by the horns and wrestling the newsletter, for JUNE, into publication, while overcoming MANY obstacles and unforeseen occurrences. Ken did an Excellent job.

By the way, our newsletter is now being done with the " MAX-10 " word processor.

As you can see, you are allowed to wrap "TEXT" around clip art of different types and sizes, why you can even create your own clip art with " CoCoMax-3 ", then move over to " Max-10's", conversion program , " Pixtrans", follow directions, and turn your .CM3 picture into a .CLP file, which MAX-10 can use.

These are examples, below, of different, former Newsletter, headers used in past ACS Newsletters.

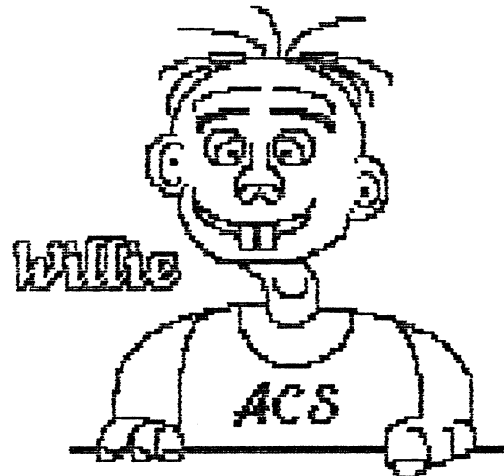

As this picture demonstrates, you can separate (edit) large pictures under the edit mode in CoCoMax-3. You can even individualize parts of a .CM3 file (cut,copy,paste) and convert it to a .CLP file for MAX-10.

I'm taking this time, now, to introduce a brand new "CoCo" character named "MAXIE".

I hope to include him in future editions of the ACS Newsletter. And in case you are wondering, yes, I am using Maxie in my T-Shirt design entry this year. How do you like Maxie? Would you like to see him in future scenes of the ACS Newsletter? I even have "Cartoon" similarities also. See if you can guess these two friendly faces.

This guy has been seen around the Acs Club meetings before. So has this character.

These are only a few examples of the abilities of "MAX-10" and "CoCoMax-3". I hope you all have "Smoothe Sailing" till our next issue of the ACS Newsletter.

TTFN

T.B. Dodson

p.s. The title of my T-Shirt entry is "TBD795T5.CM3". A Copy of this design entry is included on the back along with this months poster, see name "POSTER95.CM3".

Bye

By Al Dages

Secretary's Report of the June 1995 meeting of the Atlanta Computer Society, Inc.

The meeting was called to order by the president at 7:24 P.M.

The first order was new business. It was suggested that the BBS be upgraded to accept 28.8kbps. There was a short discussion of costs of a new modem and what cost might be offset by the sale of the present 9600bps modem. The suggestion was put on hold until the cost of a new modem could be determined. Newton White has accepted that task, to be reported at the next meeting.

Alan Dages brought up the subject of the large mailing list we have and wish to use to make a post card mailing to prospective cocofest attendees. Ken Fish and Al will cut the list to an acceptable size before the cards are mailed.

The president displayed the latest copy of the club newsletter, just in case anyone hadn't gotten theirs yet. The newsletter had been delayed for various reasons and was mailed a little late. Everyone expressed approval of the format and the new "Permanent" header.

Under old business, the "T" shirt contest was discussed. There are only two entries to date, Ken's Atlanta Skyline and Al's Atlanta Skyline. A request was made for more offerings, the contest ends at the next main meeting. There was a discussion of the various costs of printing "T" shirts.

Ken mentioned that Dues are due next month and that elections are to be held then too. He announced that he would be running for president and that Al Dages had also announced his running for the same office. Ken asked for volunteers to fill the other offices that were to be vacated. He also mentioned

that the job of Club Librarian
would continue
with Jerry Dodson and that
Earl Keller would continue as
newsletter
editor/publisher. Ken
nominated Carl England as
Vice President.

Ken reminded everyone
that the club picnic would be
held on July 29th
at Bell's Ferry Park. The club
will provide the meats and
cooking. Members
are to be polled to see who
will be attending, they will be
asked/advised
as to what they will bring in
the way of foodstuff.

The meeting was adjourned at
7:47 P.M.
