

Looking for CoCo Support??

Look to the: **UPGRADE National Diskletter!**

From: Mid Iowa & Country CoCo

More than a local meet,,, we are a national reachout!

Our "UPGRADE" newsletter mailed on Disk, has become a real hit with MAX III graphics accompanying articles. The articles from RDDOS Basic programming, and hardware, to OS-9 by James Jones of Microware; dump to screen (TV, Mono, or RGB) or printer. Sometimes with the news before the big mags, and editorials you will not see in the commercial magazine. With many user tips, and ideas.

Our Power Packed Domain Library: is purposely small relative to thousands available; because the few hundred disks there are carefully selected as "The Best Available"! Public Domain, Shareware, OS-9, & previously big named Orphanware programs.

We also have, a "Christian Software Sub-chapter". Which simply offers Christian oriented software and listings for those interested.

Where can you buy? Or sell that equipment you've just upgraded from. You're free ads will be in the middle of the community.

Be in touch for Middle America's Fest '93 In Des Moines, IA.

Have you noticed the 3rd party market producers (i.e support) dropping like flies in late fall? The shrinking Rainbow? The support of you CoCo is rapidly being left up to YOU! *As third party decreases; belonging to a CoCo group is your only support.* Radio Shack and a long list of magazines have folded it in. If one more magazine folds,,, where will you look next month?

Our eight year record speaks very well to reaching out and serving members. A strong treasury assures confidence of delivery. Most members are out of town or out of state! Presently we have paid memberships in 24+ states and 3 provinces of Canada. Plus five clubs, and some dealers. Our 90% renewal rate says most all feel MI&CC is very worthwhile. Join up and see why: even user groups by vote; sign up with a paid membership!

Your membership will bring you all Newsletters, Library, Voting, and other privilage, for a year. (\$3 Sample disk)
