IMPORTANT NOTICE

The Rainbow Adventures on Tape is a collection of Adventure games published in "The Rainbow Book Of Adventrures." It MUST be used with the book, which contains the documentation necessary to play the games.

The programs are recorded twice, once on each side of the tape, and are checked using either a CTR-80 or CTR-81 recorder (Radio Shack's). Performance on any other recorder is NOT guaranteed. If the tape has become damaged in shipment, please return the tape with an explanation of why it is being returned to:
