Check the accompanying articles in RAINBOW on using each program. These programs may not run on your system. Please check each program in the magazine for system requirements.

Special Note: To exit from the RAINBOW ON TAPE MENU, press the (up arrow) key. You may have to press it several times until the screen clears. After using any machine language program (including some BASIC programs), turn your computer off and back on or type *POKE 113,0:EXEC 40999* to clear it before loading another program.
