# WALT DISNEY PERSONAL COMPUTER SOFTWARE

## GOOFY COVERS GOVERNMENT

**TWO INTERACTIVE COMPUTER LEARNING ADVENTURES DEVELOP A BETTER UNDERSTANDING OF HOW GOVERNMENT WORKS FOR AGES 10-14.**

Goofy takes you on an exciting guided tour behind the scenes of our American system of government!

### INSIDE CONGRESS

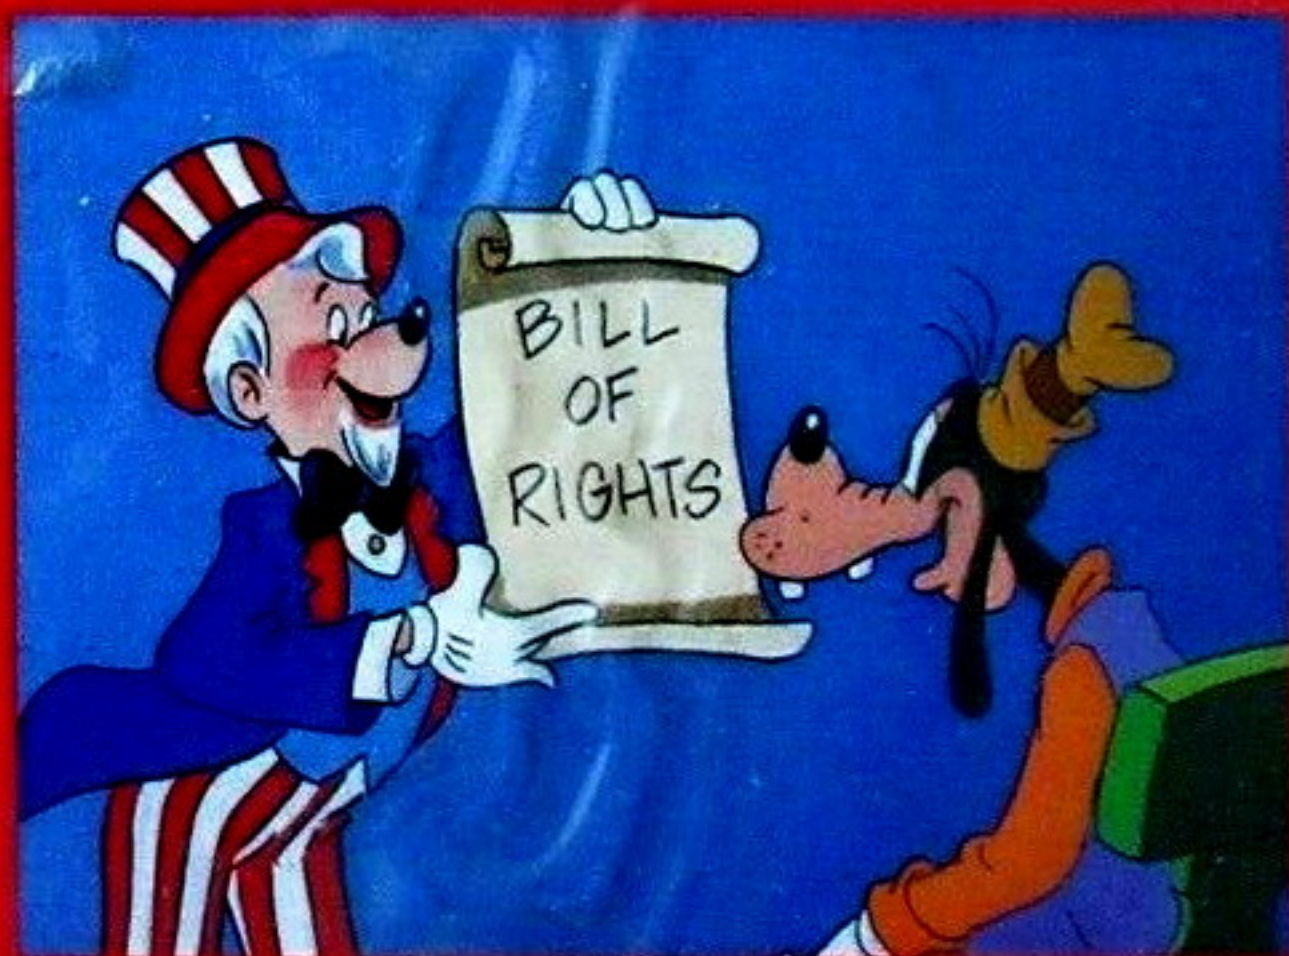

Go with Goofy on his first job as a cub reporter and get the inside scoop on Congress. Find out what the House of Representatives and the Senate do — how they work together to pass laws, how they check and balance the power of the President, and much more. It's a terrific assignment, full of fun, excitement, and lots of surprises!

**HERE'S A COMPUTER LEARNING ADVENTURE THAT'S NEARLY AS MUCH FUN TO WATCH AS IT IS TO PLAY!**

### THE PRESIDENT'S JOB

Ever wonder who has the biggest job in the whole world? It may be the President of the United States. Goofy is getting ready to cover a Presidential press conference and he needs you to help him research the President's job. Be ready for anything. With Goofy you never know what's going to happen next! But you do know it's going to be fun!

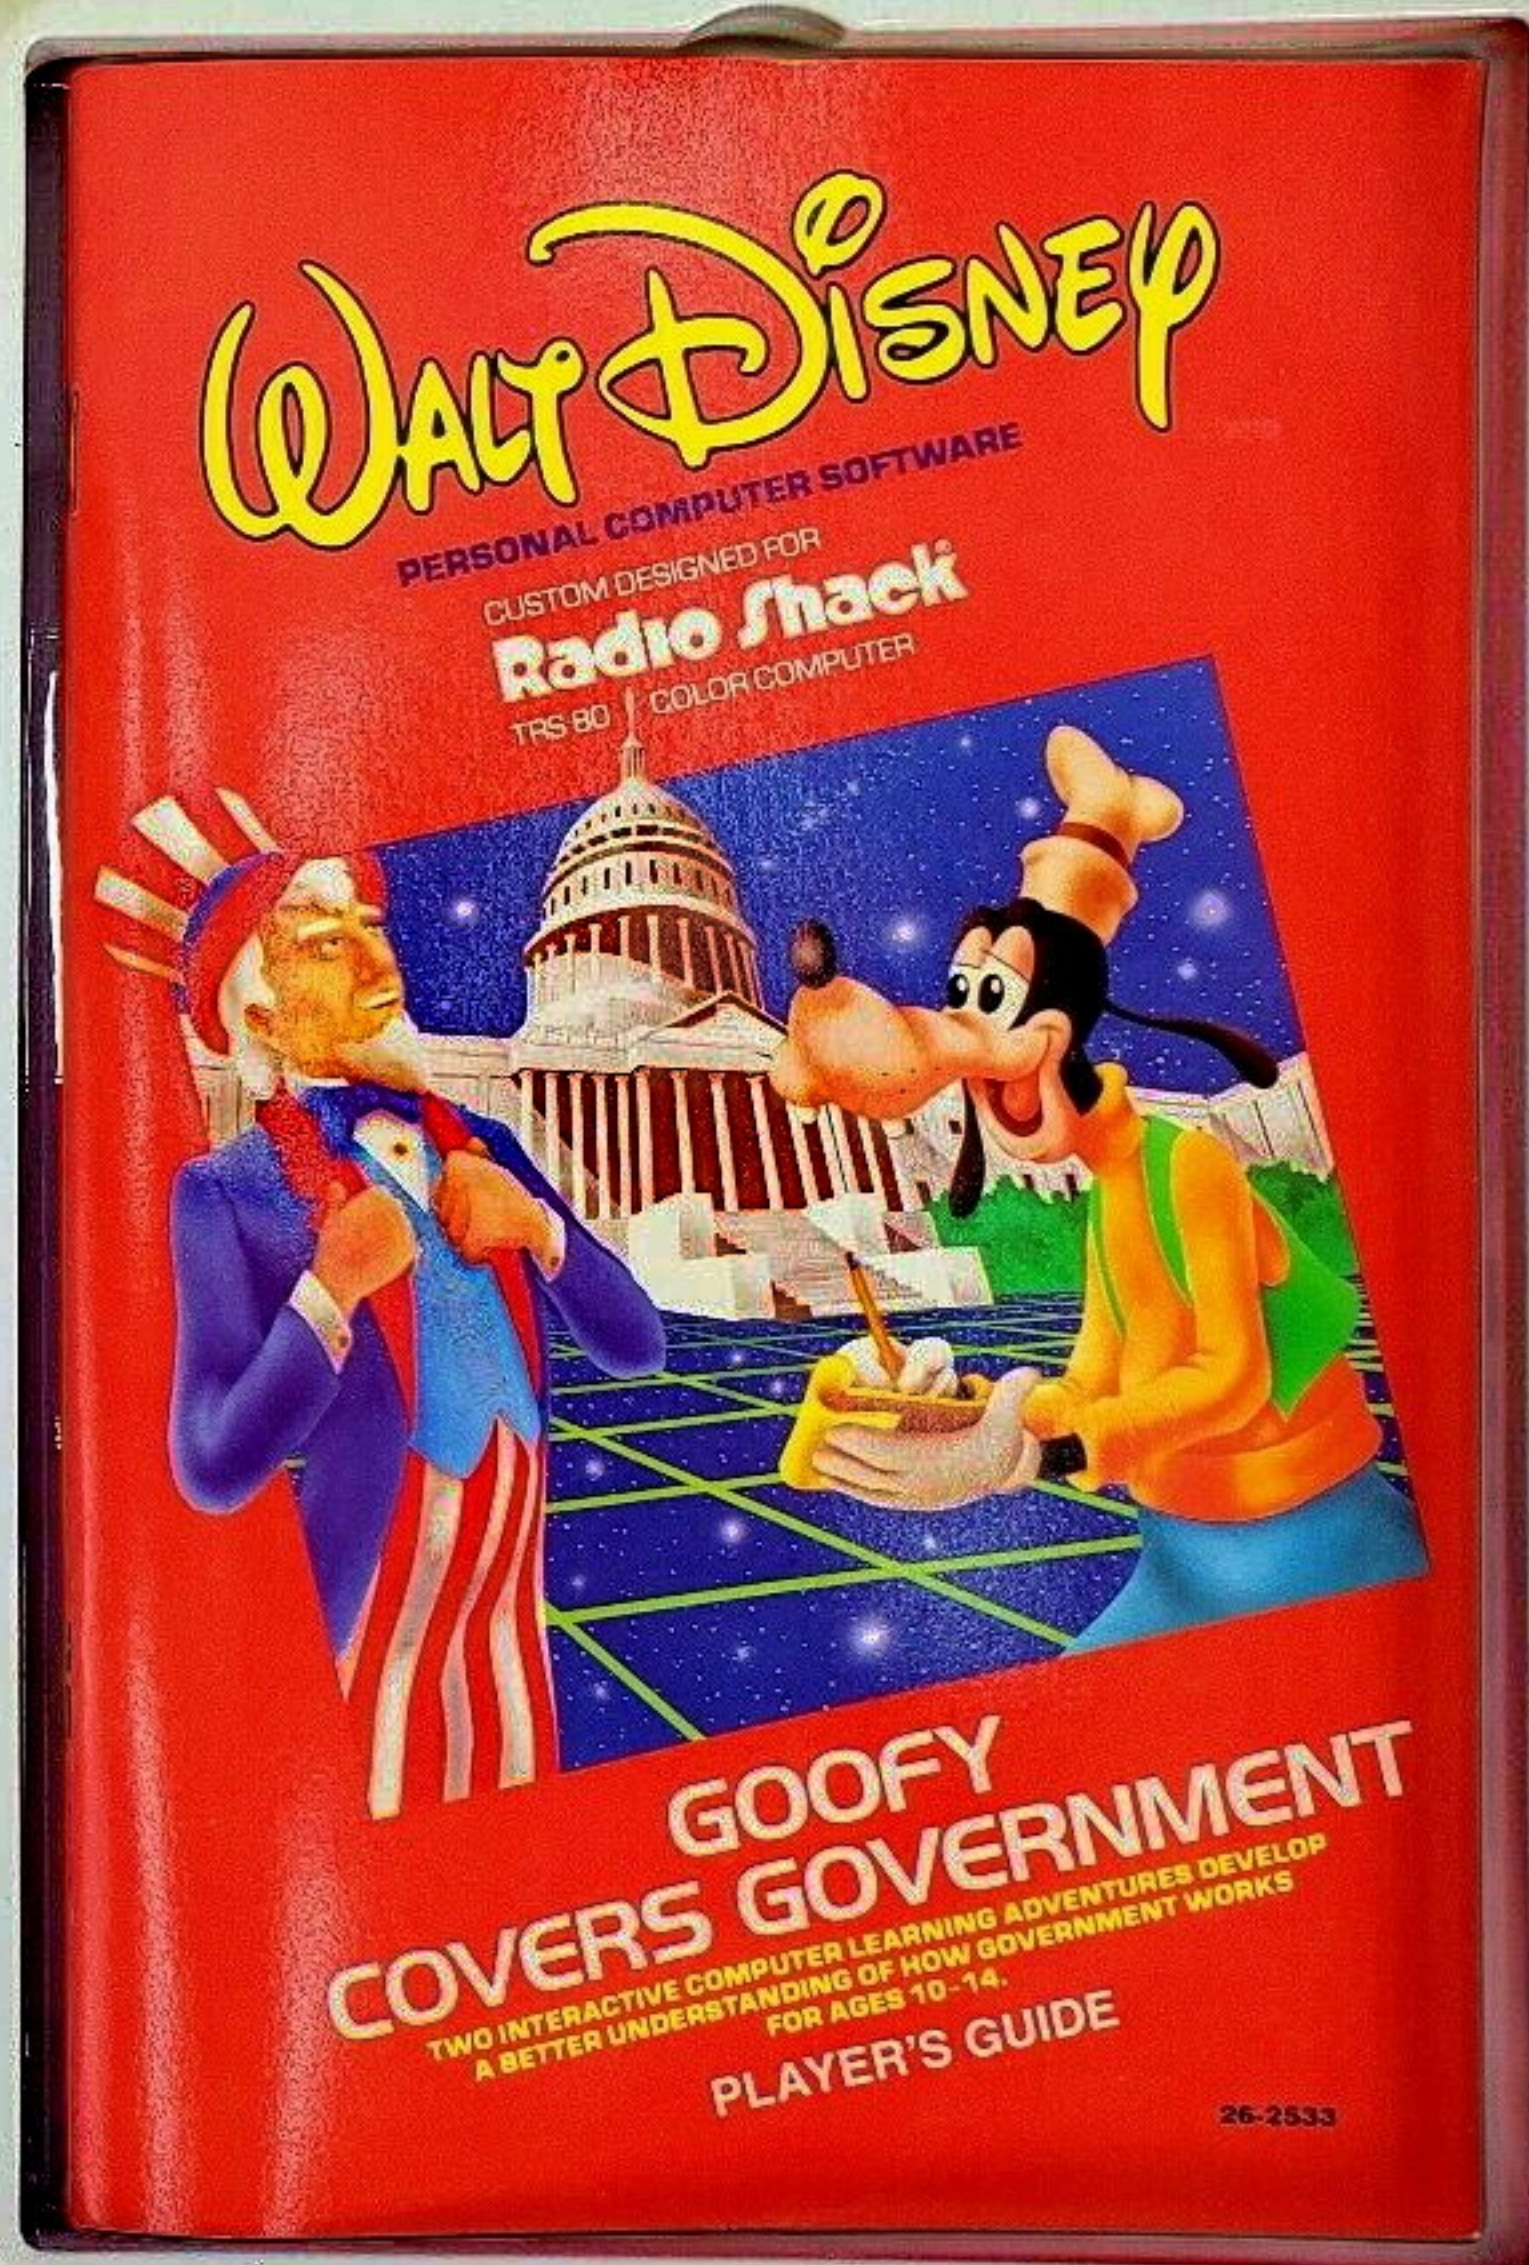

### EASY TO USE!

We want you to spend your time playing these adventures, not trying to figure out directions, so we've made our instruction guide clear and simple. In minutes, you'll be all set up and ready to play! Have fun!
