# Rocky's Boots

The game everyone is talking about.

- Master fundamental concepts of logic and computer circuitry.
- Design animated logic machines and simulated computer circuits.
- And best of all, create your own games!

Learning Magazine's Software of the Year Award.

Parent's Choice Software of the Year Award.

## Here's what everyone is saying.

"Rocky's Boots promises to become another software classic!"

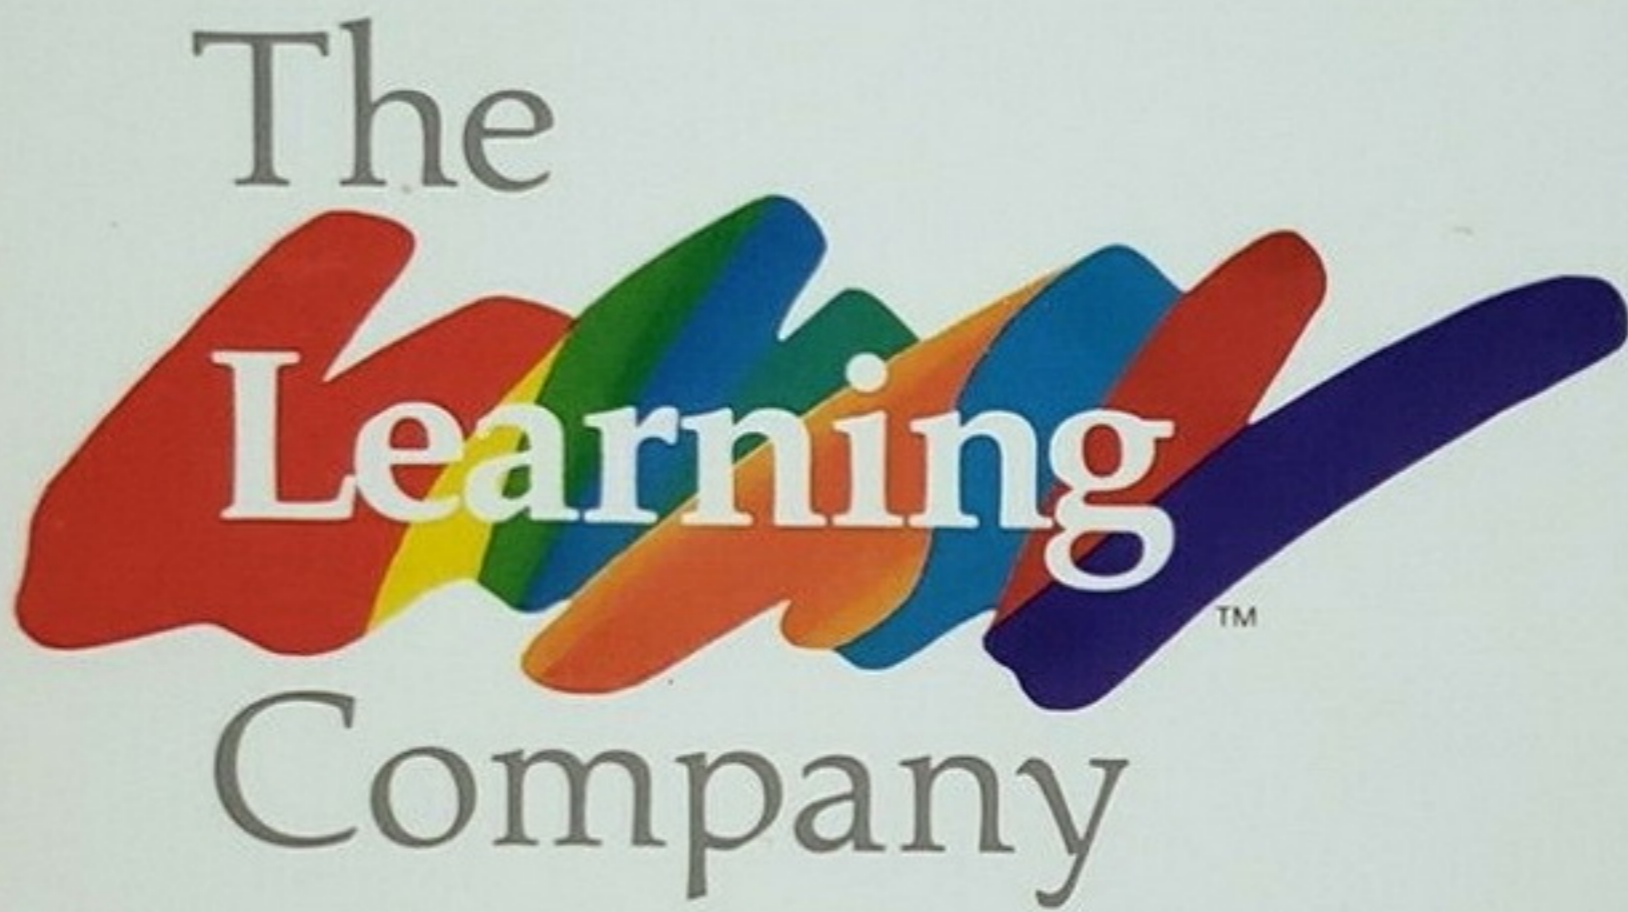

*New York Times*

"Rocky's Boots is as much fun as the computer itself!"

*Time Magazine*

"With Rocky's Boots... The Learning Company has invented a powerful electronic Tinker Toy that opens the door to the computer age."
