CHESSD SOFTWARE LICENSE AGREEMENT

The enclosed materials are provided to you on the express condition that you agree to this software license. Use of the software or its manual constitutes agreement to the following provisions. If you do not agree to these conditions, return the software, unused and in the original package for a refund.

1) CHESSD is a product of Software Dynamics. It is covered by U.S. copyright laws, and is licensed for use on a single copy per computer basis. You do not obtain title to the software, or any copyrights or proprietary rights to the software. With respect to the program, its design and/or its documentation, you may not: transfer, sub-license, rent, lease, convey, modify, translate, convert to another programming language, decompile, disassemble or construct a derivative work of any kind, for any purpose.

2) Copying the software for any purpose other than archival storage, or use of the software on other than the computer for on which it was originally intended to operate is strictly prohibited.

3) Software Dynamics has carefully checked the information given in the manual, and it is believed to be entirely reliable. However, no responsibility is assumed for inaccuracies. SD reserves the right to change specifications for the program without notice.

4) The software is provided "as-is". All warranties and representations of any kind with regard to the licensed software are hereby disclaimed, including the implied warranties of merchantability and fitness for a particular purpose. Under no circumstances shall Software Dynamics or the author of the program be liable for any consequential, incidental, special or exemplary damages even if apprised of the likelihood of such damages occurring. Some states do not allow the limitation of exclusion of liability for incidental or consequential damages, so the above limitation may not apply to you.
