Exciting fast paced arcade game that looks and plays like the popular arcade game "DEFENDER".

Wave after wave of enemy fighters drop bombs on your city. Destroy them before they destroy your city. Soon the mother ships appear firing laser blasts at you. Watch for the heat seeking mines.

Your defense includes your laser cannon plus four smart bombs on each of your four ships. A new ship with each 5,000 points.

High resolution graphics.

1. Cloadm and Execute.
2. In each game you are given a planet value (upper left corner of screen). With each bomb that strikes one of the buildings on the ground a factor is subtracted from the planet value. When the planet value reaches zero the game is over. You can and should destroy the bombs in the air.
3. Hit the right fire button to start the game. The right joystick sets the skill level (1, 2, 3). Hit the fire button of the right joystick again after selecting skill level.
4. Upper right display is the high score and the lower right is your current score.
5. CONTROLS:
 - a. Left Joystick - Controls direction of laser fire by your ship.
 - b. Right Joystick - Controls your ships vertical position on screen.
 - c. Left Fire Button - Speed Control.
 - d. Right Fire Button - Fires your laser cannon.
 - e. Both Fire Buttons Together - Releases one of four smart bombs from the bottom of your ship.
 - f. "S" - Stops game in progress. Press Right fire button to resume game.
6. There are several hazards contained in this space adventure. Watch for the mines as they will track you.
