## VEGAS GAME PAK

Requires 16K and joysticks.

### DESCRIPTION

There are six different games in this pack:

1. Regular fruit type slot machine
2. Bar-bar 5-seven-blank slot machine
3. Multi line pay fruit type slot machine
4. Video poker
5. Video keno
6. Video blackjack

Load and run (or execute) the programs and you will get a colored screen. Press reset until you get a red screen and then press enter. You will then get a title card and be asked if you want instructions. The instructions are in the programs; however a recap of key functions follows:

### SLOTS

To load: Tape - CLOADM and EXEC  
Disk - LOADM"RITELEFT" and EXEC  
LOADM"BAR5" and EXEC  
LOADM"3LINE" and EXEC

Before a coin is entered pressing:

"N" ends game

"P" displays payoffs

Joystick button enters coin (3 to 5 maximum depending on machine). After a coin is entered pulling joystick handle rolls reels.

### POKER

To load: Tape - CLOADM and EXEC  
Disk - LOADM"POKER" and EXEC

Before a coin is entered pressing:

"N" ends game

"P" displays payoffs

"C" enters coin (up to 5)

After a coin is entered pressing:

"P" begins play (starts automatically with 5 coins)

"C" enters additional coins

After a hand is dealt pressing:

"1-5" holds cards from left to right (1 holds card on left, 5 holds card on right)

"S" stand pat (if no cards are held)

"C" cancels cards which have been held

"D" draws cards

## KENO

To load: Tape - CLOADM and EXEC  
Disk - LOADM"KENO" and EXEC

Before a coin is entered pressing:

"N" ends game  
"P" displays payoffs  
"C" enters coin

After a coin is entered pressing:

"P" begins play (play starts automatically with 5 coins played)  
"C" enters additional coins (up to 5)

After "Enter Numbers" appears on screen pressing :

"##" enters numbers (on numbers less than 10 press 2 digits, such as 01 or 1 and Enter for #1)  
"E" erases numbers picked this game  
"R" repeats numbers from last turn (will work even if new numbers are entered then erased)  
"S" starts game (begins automatically after 9 spots are picked)  
At least 3 spots must be picked but no more than 9 are allowed.

## BLACKJACK

To load: Tape - CLOADM and EXEC  
Disk - LOADM"BLAKJACK" and EXEC

Before coins are entered pressing:

"N" ends game  
"C" enters coin (up to 8)  
"P" begins play (starts automatically with 8 coins)

After hand is dealt pressing:

"S" split (upon prompt)  
"D" double (upon prompt)  
"F" stand (finished) (start dealer hand)  
"G" surrender (give up) (upon prompt)  
"H" hit
